

2016 Sponsorship & Advertising Opportunities

One Southern Indiana 2016 Sponsorship Opportunities

One Southern Indiana (1si) offers numerous opportunities to promote your business through sponsorship. Not only is it a great way to get your company's name in front of a crowd but it will also associate you with top notch awards, networking and professional development events. 1si sponsorships offer all members, regardless of size or budget, the ability to promote goodwill along with their products and services. It is a unique marketing tool that reaches both 1si member businesses and the community, while providing revenue for 1si.

Sponsorships are key to allowing 1si to maintain an affordable dues structure for all sizes of business. They allow us to provide exceptional programs to our members for a fraction of the cost of other organizations. These programs provide valuable services that promote the economic well-being of the local community, and at the same time, give valuable exposure to the sponsors associated.

Being a sponsor of an 1si event can help you gain new customers through:

- **Publicity**—The “right kind” of publicity is hard to come by. Fortunately, 1si makes it easy to combine 1si's reputation as the foremost business organization in Southern Indiana and the region. 1si events and programs, along with their sponsors, are highly publicized. Your company is included in collateral materials and print advertising which is then seen by thousands of individuals on both sides of the river, helping you lock in valuable public recognition.
- **Brand Association**—Important people attend important events and companies wanting to be industry leaders welcome the benefits of association with important business events. If you want your company to be seen as the leader of the pack by executives, managers and other influential decision-makers, 1si events and programs are the answer.
- **Access to New Business Relationships**— Many of our events give our sponsors the opportunity to speak personally to the crowd, allowing for the beginning of a relationship to begin instantaneously. Not only do prospective customers feel like they are getting to know you but also these events are also ideal for renewing and strengthening relationships with existing clients and customers.
- **Gain Respect and Credibility**—You gain respect and credibility by standing out from the pack of attendees and prominently displaying your products and marketing materials. Instead of just attending an event and looking for people to share your business card with, sponsorship brings attendees who are eager to find out about your business directly to you.
- **Cost Effective Advertising with Great ROI**—We all know how much advertising your business can cost. It can run a thousand dollars or more to place an ad in a well-known local publication for only one time! Spending that same amount or less as a sponsor of an 1si event is a much wiser investment that will bring a greater return on investment. Remember, you will be in the same room with hundreds of attendees who are your target market. By leveraging the event to your advantage, there will be no limit on your potential ROI.

If you are interested in creating a customized sponsorship package or would like more information about sponsorship opportunities with 1si, contact Josh Suiter at JoshS@1si.org or call 812.206.9024.
